- ✦ **Issue Multiple Books** – Issue multiple books to student or employee.
- ✦ **Issued Books** – View list of issued books.
- ✦ **Return Books** – Add book return details.
- ✦ **Book Fine List** – List of unpaid book fine.
- ✦ **Fine Payment List** – List of fine payment details.

Reports:

- ✦ Author list report.
 - ✦ Publisher list report.
 - ✦ Books issued to student report.
 - ✦ Books issued to employee report.
 - ✦ Overdue book issue report.
 - ✦ Library fine charges.
 - ✦ Fine received for library books report.
 - ✦ Fine pending for library books report.
-

Module 8: Store Management

- ✦ **Item Group** - Setup item group which is assign to Item in Item Master.
- ✦ **Item Master** – Setup item details.
- ✦ **Supplier** – Supplier details.
- ✦ **Add Quotation** – Add quotation details.
- ✦ **View Quotation** – View quotation details.
- ✦ **Add Purchase Order** – Add purchase order details.
- ✦ **View Purchase Order** – View purchase order details.

- ✚ **Add Purchase Entry** – Add purchase entry of purchased item.
- ✚ **Purchase Entry List** – View purchase entry list.
- ✚ **Material Requisition** – Add material requisition details and assign approval.
- ✚ **Material Requisition List** – View material requisition list and its approval status.
- ✚ **Issue Item** – Add item issue details.
- ✚ **Issue Item List** – View item issue details.
- ✚ **Item Ledger** – View item ledger details.
- ✚ **Item Stock Record** – View item stock details.
- ✚ **Shortage Stock Record** - Item stock shortage details.

Reports:

- ✚ Author list report.
 - ✚ Item stock report.
 - ✚ Purchase entry list report.
 - ✚ Item stock shortage report.
-

Module 8: Sports Management

- ✚ **Add Sports Level** - Setup sports level which is required to assign for Sports Team.
- ✚ **View Sports Level** – View sports level.
- ✚ **Add Age Group** – Add an age group details which is required to assign for Sports Discipline.
- ✚ **Age Group List** – View age group list.
- ✚ **Add Sport** – Add sports details.
- ✚ **Sports List** – View sports list.
- ✚ **Add Sport Type** – Add sports type detail which is required to assign for Sports Discipline.
- ✚ **Sport Type List** – View sport type list.

- ✚ **Add Sports Discipline** – Add sports discipline details.
 - ✚ **Add Sports Heat** – View sports heat details.
 - ✚ **Sports Heat** – Add sports heat details.
 - ✚ **Add Sports Team** – Add sports team details.
 - ✚ **Sports Team** – View sports team details.
 - ✚ **Add Team Meeting** – Add sports meetings details.
 - ✚ **Team Meetings** – View team meetings.
-

Module 8: Development Management

- ✚ **Disciplinary Action** – Setup disciplinary action details.
 - ✚ **Offence Categories** – Setup offence categories details.
 - ✚ **Apply Punishment** – Apply punishment to student/teacher.
 - ✚ **View Punishment** – View punishment to student/teacher.
 - ✚ **Medical Aid Company** – Add medical aid company details.
 - ✚ **Medical Emergency Company** – Add medical emergency company details.
 - ✚ **Medical Practice Description** – Add medical practice description details.
 - ✚ **Medical Practitioner Company** – Add medical practitioner company details.
 - ✚ **Student Medical Facility** – Add student medical facility details.
 - ✚ **Employee Medical Facility** – Add employee medical facility details.
 - ✚ **Hostel List** – Add/View hostel details.
 - ✚ **Room List** – Add room details for the hostel.
 - ✚ **Assign Room** – Assign room to student.
 - ✚ **Old Student List For Hostel** – Old student list for hostel.
-

Module 8: Online Exam Management

- ✚ **Add Question Setter** - Setup question setter from employee.
 - ✚ **Question Setter List** – View question setter list.
 - ✚ **Add Paper Setter** - Setup paper setter from employee.
 - ✚ **Paper Setter List** – View paper setter list.
 - ✚ **Add Online Exam Subjects** – Add subject heading which is required to assign while creating online exam.
 - ✚ **Online Exam Subjects List** – View online exam subject heading list.
 - ✚ **Create Online Exam** – Create online exam by adding information such as exam name, date, time, exam in charge, result criteria etc.
 - ✚ **Online Exam List** – View online exams list.
 - ✚ **Create Online Rules** – Setup online exam rules for exam.
